Why ?

How ?

Where ?

... do we demonstrate civil engineering ?

How do you feel civil structures
in Japan?

Japanese say ...

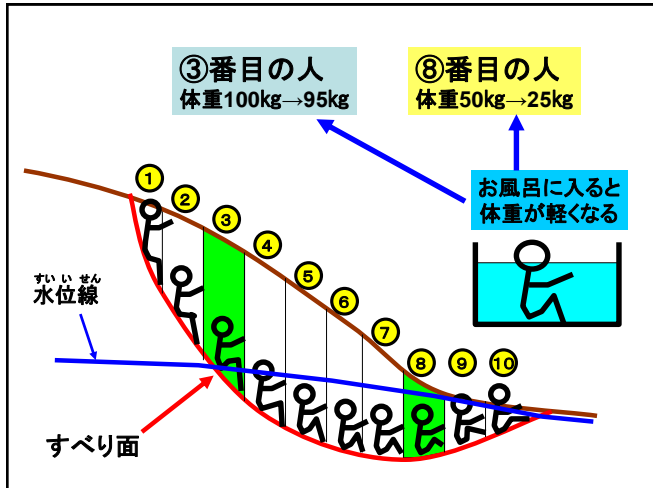

What job do you want to get ?

...not like yours

Demonstration
"How dose groundwater works"

Visual civil engineering be able to ...
understand "complexed mechanism".

Students teach Students

Visual civil engineering be able to ...
understand "complexed mechanism".
Then, they get familiar with us.

Were you interested in civil engineering before taking this seminar?

Now, are you interested in civil engineering after taking this seminar?

What job do you want to get ?

Of course yours, dad !
